Dear Sir:

ORIGINAL

I hope the enclosed FILE
is self-explanatory. The problem:
our cable carries 3 Fox Channels,
and can, apparently, due to
law passed 1992 only have
one. They want to keep a
Dresno Channel, and go away
with our only S.F. - Oakland
Channel 2 (KTVU).

we already get Dresno
news on local ABC, CBS, NBC,
and PBS Channel 18.

we 'mountain people'
identify with San Francisco
and want to keep our
good news channel and friends

(2)

at KTVU (see petition
Attached) I have heard

1) we must keep one in "big"
city nearest us. Fresno is
not a big city and S.F. is
not that much further away.

2) we must have access to a
"major city" channel, like
SF, when it is available.

I have not seen the
law, so don't know its
ramifications, but want
you aware of our hope that
we can retain Channel 2
(reception is ~~very~~ good in most
areas, and apparently, even
where it is not, the subscribers

(3)

prefer it 'poor' to more
trees no channels.)

Even the Sheriff's
office was upset, as they
depend on weather conditions
in Bay area.

Any information you
can provide will be appreciated.

Sincerely yours,
(Luss) Vera E. Welch

Dear Northland Cable TV Subscriber:

Northland's service rates will change effective February 1, 1993. The new rate for Standard Basic service will be \$21.80 per month.

During 1993 our plans include the addition of four new channels; The Home Shopping Channel, C-Span, The Learning Channel and CNN Head Line News. HSN offers you the convenience of shopping at home. C-Span delivers live and delayed coverage of the U.S. House of Representatives. The Learning Channel provides you with educational, how to shows, editorials and many interesting programs. CNN Head Line News gives you 24 hour coverage of world and regional events, updated every 20 minutes. These new channels are part of our continuing efforts to provide a variety of programming to our customers.

Changes have come about due to the "Cable Television Consumer Protection and Competition Act of 1992." Northland will be realigning and dropping two duplicate FOX networks. Channels 2-2 KTVU and Channel 8-40 KTHL will be dropped due to poor reception, we are not able to control or stabilize these channels. Please see the enclosed channel card for additional information.

Our goal has and will continue to be providing you with the best service possible. We appreciate having you as a customer and hope you will continue to enjoy all that Northland has to offer.

Sincerely,
Northland Cable TV
